

TIYA'S WINE COLLECTION

Our cellar is thoughtfully curated to complement the vibrant spices, textures, and flavors of Tiya's progressive Indian cuisine.

Our selections focus on artisanal producers who work sustainably, at a minimum, with special attention paid to those farming organically, biodynamically, and regeneratively.

This list is an exploration of wines from around the world, but we are especially proud to feature some of the best from our backyard here in California.

A 21% service charge for parties of six or more and tasting menu service will be added to your final bill. An **optional** 5% surcharge will be applied to the final bill in support of the SF healthcare mandate. If you wish to have this surcharge removed, please ask.
